

Goose Creek Homeowners Association

Board of Directors Meeting

February 4, 2026

Via Zoom Meeting Platform

The meeting was called to order by President Janice Porto at 6:32 p.m. In attendance were Janice Porto, Jacek Stramski, Penny Taylor, Ginger Harris, and Robert Benbow. Danny Hayes from Kirby Management was also in attendance.

President Porto called this meeting to approve one of two quotes presented for landscape tree work at the entrances to the Fields and the Meadows. The crepe myrtles had not been trimmed in a few years and were getting close to the boarding houses and needed some thinning maintenance. This was the only agenda item and was time sensitive since crepe myrtle trimming generally takes place in January/February.

The first quote discussed was from Fielder Tree Service and came in at \$9,100. The second quote was from Mike Wood Lumberjacks and came in at \$3,500.

There was discussion regarding the Mike Wood Lumberjacks quote in that the work described for each side was not listed properly. The Meadows side was noted as "Fields" on the quote and vice versa. The correction was noted by the Board and Management was to relay that to the vendor and note it for the files.

Jacek Straminski moved to accept the Mike Wood Lumberjack quote at \$3,500 with the noted correction. Robert Benbow seconded the motion and the vote was unanimous.

The meeting was adjourned at 6:42 p.m.
